

1

Create your account or log in to your existing account. Parents/Guardians must have a Household account to sign their youth and teens up for Membership. All youth must have a membership to sign up for programming

NEW TO THE PORTAL?

Register your household account

CREATE ACCOUNT

If you are returning to the Club, but this is your first time using the Parent Portal, please enter the same parent/guardian first and last name, and email address that the Club has on file.

This will allow your account to link automatically. If you are unsure what information is on file, or if you receive an error message, please contact the Club for assistance.

Location: Boys & Girls Club

When you click the arrow the drop down presents a course that you can enrollment

Pending the program, additional information may be collected. Simply follow the steps. If you get stuck, please reach out. The great news is that once you have your account all set up, going forward, signing up for programs and updating your information with us will be easier.

When a new account is created, an email from bgcinfo@winnebagotribe.com will be sent to the email address used to set up the account. This email will prompt you to create your password.

Once your password is set, you can begin the registration process by completing the required parent/guardian information, adding your youth and teens, selecting the appropriate membership for each child, and registering for available programs.

We know moving to online registration may come with a few growing pains, and we truly appreciate your patience. Please know we are here to help families through the process. The Parent Portal is an important step forward for Boys & Girls Club of the Hocak Nisoc Haci. It helps us keep family and youth information current, communicate more effectively with parents and guardians, and strengthen safety by allowing us to better track youth while they are at Club, on field trips, and participating in programs.

Having current contact information is especially important so we can reach you if we need to contact you about your child. This also helps us share upcoming events, schedules, program updates, and important announcements more easily. As we update our website and begin sharing a Club newsletter, the Parent Portal will help make sure families receive timely and accurate information.

Your information will be kept secure in the portal, and we will protect the privacy of our Club families. As we prepare to move into our new, larger facility this fall, having accurate information in a single secure system will help us serve families more efficiently and responsibly.

MyClubHub also helps us collect the data needed to apply for grants and funding that directly support programs, meals, activities, field trips, and other opportunities for youth. In short, this system helps us serve families better today while building stronger opportunities for tomorrow.

Thank you.

Staff of the Boys & Girls Club of the Hocak Nisoc Haci.
